

# Anti-Graffiti Vinyl Wraps

The purpose of these wraps is to deter graffiti vandals from displaying their tags on the device because of its background. If a tag is present, the anti-graffiti coating makes the clean-up a breeze.

# Rapid removal is the best form of graffiti prevention

**PERSISTENCE PAYS OFF:**  
Instant removal is the key everytime you get tagged. The vandals WILL get the message that graffiti isn't tolerated!!! They will move on.

# Some helpful tips for graffiti prevention

Rapid removal of graffiti is the best way for property owners to protect their neighbourhood's image and preserve a sense of security. Report graffiti to the **City of Burnaby's Graffiti Hotline** at 604-298-TAGS (8247), take a picture of the graffiti and then remove it quickly!

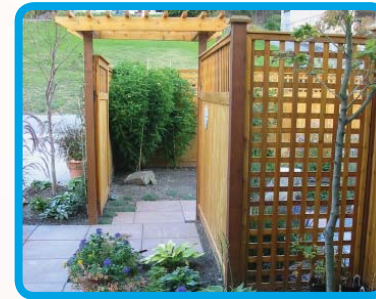

**PERSISTENCE PAYS OFF:** Instant removal is the key everytime you get tagged. The vandals **WILL** get the message that graffiti isn't tolerated!!!

They will move on.

Control access by installing lighting around your property. Use motion sensors in remote areas. Incorporate shrubs and vines to restrict access to a potential graffiti target wall.

Wherever possible, use fences, controlled entrance and exits, rails, and other barriers that discourage through traffic.

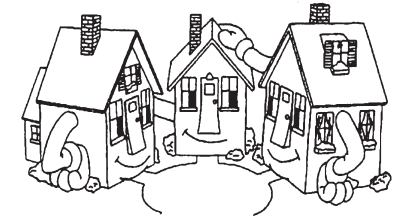

Limit access to roofs by moving dumpsters away from walls and cover drainpipes and ladders to prevent vandals from scaling them.

Step up security by installing some type of security camera.

Organize a Block Watch in your neighbourhood.

Take advantage of the City of Burnaby's Paint Program where you can receive paint at specially reduced prices at **General Paint**. To obtain vouchers, contact the Graffiti Hotline.

Consider protecting an area where graffiti has occurred in the past with a product designed to repel graffiti, allowing for easier clean-up.
